

## Meet the ABLF Alumni 2007-2017 The Award Categories and Recipients over the year

### The ABLF Business Excellence

The **ABLF Business Excellence Award** recognises and celebrates business leaders who have a holistic approach in propagating and sustaining business excellence and innovation so as to increase the performance levels of the Government entity private company or Group. This leader is a powerhouse who has continually channelled the best corporate and business energies to create outstanding work environments that promote excellence, reinforce best business practices and consistently sharpen the skill sets of co-workers to ensure optimum utilisation of both human resource potential as well as opportunity capital.

"The **ABLF** is an immense tribute to the dynamic nature of business in Asia, especially the UAE. I'm glad to be part of its key narrative."
